"The Seats of the Mighty," Sir Gilbert Parker's first offering to the silent drama, and one of the most finished photo-plays ever staged, will be shown at the Bijou theater for but two more performances, closing with tomorrow night. During the run of this superior picture Sir Gilbert has made more friends in Honolulu than during his entire career as author and statesman.

Dealing with the early history of the North American continent, "The

# YE LIBERTY TO HAVE NEW SERIAL

Ye Liberty theater, as the exclusive home of Paramount features, is rapidly becoming one of the favorites of all of Honolulu's show houses. The repertoire of the Paramount people consists of only "the best" of which "Young Romance," featuring Taliaferro, the present offering, is a good sample.

In connection with the feature offering there is also shown the eighth episode of "The Exploits of Elaine," the thrilling scientific detective serial in which Pearl White and Arnold Daly are cast in the stellar roles. Pearl White enjoys the distinction of being the first actress to appear in a serial photo-play and so good was her work

# WAR VETERANS BUILDING CLUB

# NEAR SHAFTER

Structure 50 by 100 Will Furnish Get-together Place For Men Who Fought Spain

(Special Star-Bulletin Correspondence)  
FORT SHAFTER, June 28.—The United Spanish War Veterans have gotten together and are erecting a very roomy and substantial building just off the reservation in the Kalihi district. The building has been badly needed for several years, but lack of funds and location have deterred them. This camp is known as the Francis W. Mansfield branch, having been named for Col. Francis W. Mansfield, who was in command of the 2d Infantry at the time the branch was organized in 1909.

There are, altogether, about 75 veterans in the post of Fort Shafter who are members of the order, and with their many friends and affiliations in the city of Honolulu there will be a splendid crowd to enjoy the pleasant times anticipated in their new home. The building will be about 50x100 feet and will be used as a meeting hall, club room and a place to hold dances. Among other features there will be refreshments on hand all the time and all luxuries of a first-class club have been arranged for.

Pvt. Swan Nelson, Company L, 2d Infantry, has been designated as chief carpenter and with other members of the camp will rush the building to completion by the 15th of July.

The following officers are now in charge of the administration of the affairs of the lodge:  
1st Sergt. Victor Whitaker, Co. K, commander; Sergt. Abbott, senior vice-commander; Opl. Quick, Quartermaster Corps, junior vice-commander; Sergt. Fischer, adjutant; Reg. Q-M. Sergt. Ely, quartermaster.

# FILIPINOS HERE TO BE INSPECTED BY DR. ALBERT

Dr. Alejandro Albert, who has been named commissioner of labor under the bill that recently passed the Philippine legislature, is expected to arrive in Hawaii some time in July for an extended inspection of labor conditions here. The bill was passed largely because of the number of laborers recruited in the southern islands and brought to Hawaii by the Planters' Association, the Filipinos wishing to get official information on conditions here.

Dr. Albert is not a stranger here, as he visited with the Filipino baseball team that toured the mainland a couple of years ago. He is an enthusiastic sportsman, former dean of the Liceo de Manila and said to be amply equipped for his new duties.

# MOORE AND M'KINLEY ARE BOOSTING HAWAII

That Pineapple Day is to be boosted by the big men of the states is evident from letters being received by the Promotion Committee. Representative J. Hampton Moore from the Third Pennsylvania district, one of the Congressmen who visited Hawaii this spring, writes that he is boosting the islands at every opportunity and is urging his friends to eat Hawaiian pineapples on Pineapple Day, and on every other day as well. W. B. McKinley of Illinois writes that he, his family, and all his friends are to celebrate in true pineapple style on November 23

# ARMY NOTES

Word has reached here that the War Department, presumably acting on instructions, is preparing tentative plans for possible armed intervention in Mexico, going on the basis that 500,000 men will be necessary to keep under arms in Mexico, at a cost of \$800,000,000 a year, should it be found necessary to resort to arms to bring peace to the southern republic.

General Frederick Funston, Southern Department commander, has advised the War Department that in view of present conditions on the border there should be no diminution of the number of patrol troops there, and if the plan of sending the 9th and 15th regiments of cavalry to the Philippines is carried out, their places in the department may be taken at once by other troops, the 11th Cavalry at Fort Oglethorpe, Ga., and the 13th Cavalry, now scattered in posts in Nebraska, Wyoming and South Dakota, being mentioned for southern station.

Sylvester Long-Lance, a full-blooded Cherokee Indian, has been appointed by the President a cadet at the United States Military Academy at West Point for the next entering class. Long-Lance has been a student at a military academy in New York for three years and is also a graduate of the Carlisle Indian School. He is the only Cherokee Indian ever to be given an opportunity to become an army officer, although others have gone through the military academy and been commissioned, the first being David Moniac, who graduated in 1822 and was appointed a second lieutenant in the 6th Infantry, a regiment accredited with having the Presidio of San Francisco as its home station. Moniac was killed in battle November 15, 1836, while a major of volunteers in Indian wars.

The following officers of the Medical Corps are relieved from duty with their organizations, and will take a transport September 5 for Manila for duty in the Philippines: First Lieut. Charles C. Hillman, Ambulance Company Five; 1st Lieut. Fletcher O. McFarland, Ambulance Company One; 1st Lieut. Alvin W. Schoenleber, Field Hospital One; 1st Lieut. Edward F. B. Weidner, Field Hospital Two.

Captain Stanley S. Ross, Quartermaster Corps, has been relieved from duty at Alcatraz as both quartermaster and constructing quartermaster and has been transferred to the 13th Company, Coast Artillery.

Captain Henry H. Sheen has been relieved from duty with 13th Company, Coast Artillery, Fort Miles, and has been detailed as quartermaster and constructing quartermaster at Alcatraz.

Major Charles McK. Saltzman, signal corps, signal officer of the Eastern Department, is ordered to Ancon, Canal Zone, for duty as signal officer. He is now at the Army War College.

Major Clarence N. Manly, Medical Corps, is relieved from duty in the Southern Department and from further duty at Fort Douglas, and will sail for Manila August 5 for duty.
